UPFRONT

ARRESTING BEAUTY

Considering all the media competing for people's attention these days, you'd think it would be difficult to get noticed in the press. Kendra Sunderland has had no such problem. She shot to fame last year after she was busted for camming a solo sex show from the library of her (now former) school, Oregon State University. The arrest could have cost her a year in jail, but she managed to get off with a small fine — and a career in adult entertainment, which included, of course, becoming a Penthouse Pet. We wanted to know what really makes her tick, so we quizzed her on a most fascinating subject: herself. Surprisingly enough, despite her stunning good looks and wild-child image, she really seems like a normal teenage girl. Learn what makes a modern-day sex symbol in her exclusive profile, starting on page 42. And as always, Enjoy! — *The Editors*

A-List Jenna

Our own Marilyn Monroe, Jenna Ivory, made her feature dance debut in New York City and soon after was signed to A-List Features to tour the world, shaking her moneymaker onstage. "I love traveling and it's a great way to meet my fans up close and personal," says Jenna. "And I hope to hit all of the Penthouse Clubs when I'm on the road, of course. That would be amazing!" If you'd like this bubbly blonde beauty to get down in your hometown, check out www.AListFeatures.com.

Sunny Shines at the Bunny Ranch (Again)

Sunny Lane was among those celebrating Moonlite Bunny Ranch honcho Dennis Hof's recent weekend-long birthday bash, turning heads at the Saturday night "Prom Party" in a beautiful white gown. Once the girlfriend of the world's most beloved pimp, Sunny and Hof have remained close friends; the petite, all-natural blonde known for her delicious derriere can still be found working at the Reno ranch, helping fans make their wildest fantasies come true. "I still work in the adult industry and do plenty of photo shoots and movies, but I started my career here and I still enjoy this kind of work," she told us. "Giving pleasure to others is one of the greatest gifts of all." Other celebrities who attended the festivities included Flavor Flav, infamous madame Heidi Fleiss, porn icon Ron Jeremy and Andy Kaufman's writing partner, comedy legend Bob Zmuda.

Deadwood Darlings

Our 2015 Pet of the Year Layla Sin and Pet Whitney Westgate spent three amazing days at Cadillac Jack's during the Sturgis Motorcycle Rally in historic Deadwood, South Dakota. The two beauties served as hostesses for various gaming tournaments at the casino and also buffed some Harleys in the motorcycle bike wash, a wild event whose proceeds went to charity. "We had the best time at Cadillac Jack's! Now I know why it's the favorite place for Penthouse Pets to hang out and party," said the lovely Whitney. Layla concurred, "I'd be happy to do it every year. I love this town's energy. Bikers are the sweetest people you'll ever meet in the whole world!"

Victoria Emerges Victorious!

Victoria "Dr. Z" Zdrok, one of our most beloved Pets, has been laying low for a while, happily living in the New Jersey suburbs running her own successful therapy practice. But she decided to come out for a rare media appearance on rocker podcast *The SDR Show*, hosted by comedian Big Jay Oakerson and radio personality Ralph Sutton. She spent time with porn star pal Jayden Lee reminiscing about the glory days at Penthouse and catching her fans up about how she's been keeping busy. "I miss posing naked," she says. "I've been getting the craving to take it all off again. I still work hard on my body and I still love to show it off!"

Fans can check out the episode on www.TheSDRShow.com.

Showtime for Skin

Skin Diamond has always been a smart, hip and (pop) culturally aware young lady, so she was a natural to make an appearance in the Showtime original documentary *X Rated: The Greatest Adult Movies of All Time*. Narrated by fellow Pet Chanel Preston, the documentary goes through the greatest movies in the history of porn, starting with the iconic *Deep Throat*. It should be no surprise that our exotic beauty is a huge fan of the film. Skin explains the story line with charm, humor and deep respect for the film and the cast, especially its infamous heroine Linda Lovelace. "I can't take huge cocks in that deep, but I can definitely salivate a lot more than she could," she laughs. You can check out *X-Rated* on Showtime OnDemand.

I FIVE FACTS

KENDRA SUNDERLAND

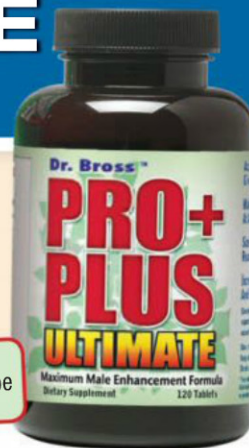

Here are five things we bet you didn't know about this month's cover girl:

- Kendra originally entered college with the intention of becoming a counselor.
- She's the middle child with two brothers and two sisters, and that's why she's a troublemaker!
- The only person she's had sex with while camming is an ex-boyfriend.
- Born June 16, she shares a birthday with Tupac Shakur, Dana DeArmond and John Cho, of the Harold and Kumar movies!
- She says she's gotten lots of marriage proposals since hitting the headlines!

Two sexy sinners in the great outdoors, getting down and sucking slit in a pup tent in the middle of nowhere. If this was a slasher flick, you know what would happen next.

| KENDRA SUNDERLAND

Life can be strange. Just ask Kendra Sunderland. After her indecent exposure arrest for webcamming from the Oregon State University library, she avoided a year in jail with a plea deal — and became a Penthouse Pet along the way. We spoke with the luscious 19-year-old about getting high, getting paid and getting the most out of life.

LEARNING CURVES

We hear you're a big stoner. Do you smoke all day, just at night, are you a wake-and-bake girl?

I'm the all-day, every-day type, and wake-and-bake is a must! I don't take Tylenol or ibuprofen, so whenever I have a headache or don't feel good, I smoke. I smoke before I eat, and I definitely smoke before I go to bed. It's one of those things I can't ever turn down. It's not an addiction to me though, because I can and have quit before. I just prefer to be stoned as much as possible because I believe you can always get higher.

Every stoner has their favorite pipe or bong. What's yours?

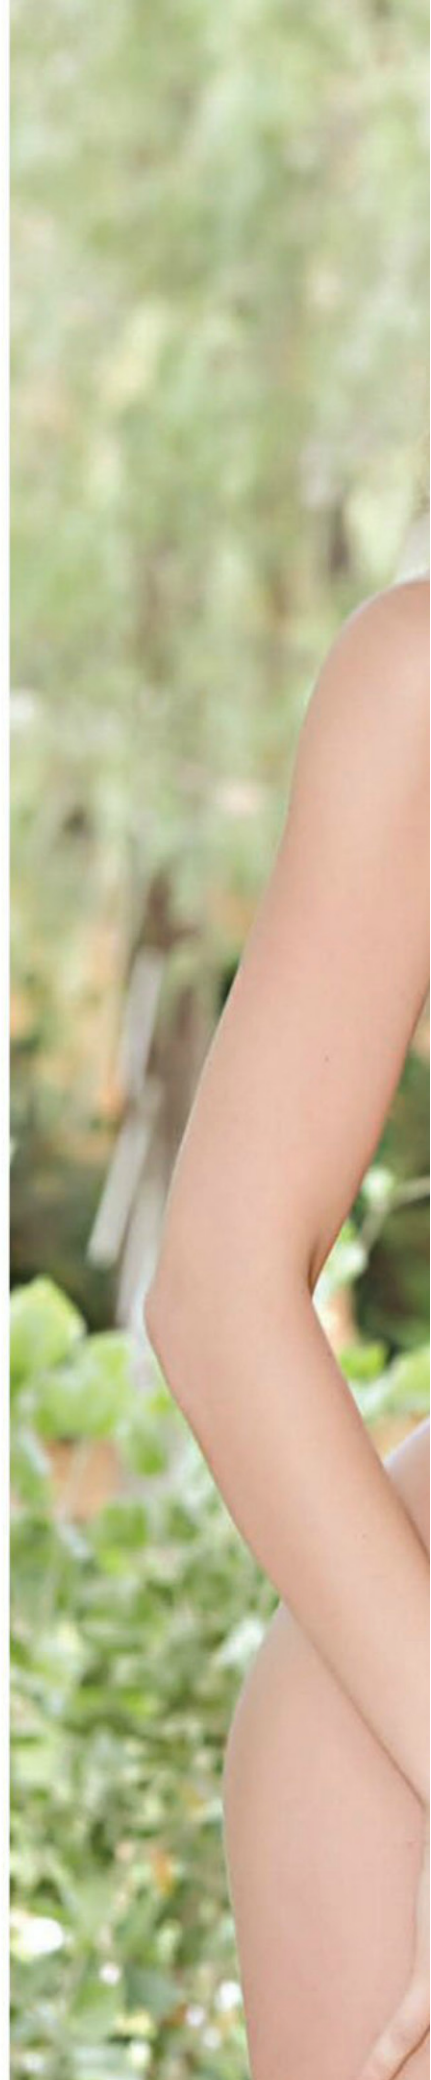

I've had so many favorite bongs and one way or another they've all ended up broken, may they rest in peace.

My first and favorite bong had a little gecko on it named "Sasha," but I let someone borrow it — I won't say who — and it was broken when I got it back. I also let the same person borrow my rainbow pipe, which I got back broken. Next I had an adorable pink bong with Hello Kitty on it smoking a joint, and that one ended up broken as well. I got another pipe that had a baby gecko on it because it reminded me of Sasha, but that got stolen out of my friend's car. So I gave up on pieces and found the best thing! It's the Vapor-Cup! You don't have to inhale nasty butane, and it looks just like a coffee cup!

Do you prefer indica over sativa, or doesn't it matter?

It depends on what mood I'm in. If I want to get things done and feel energized, I'll

smoke sativa. If I want to relax and go to sleep, I'll smoke indica. If I'm bored and just want something to do, I'd try a hybrid. A lot of people say, "Pot makes you lazy," but they don't know the difference between indica and sativa!

What music do you listen to when you're stoned?

Reggae, because it's impossible to be upset while listening to reggae. It puts me in a happy mood where nothing can bother me. Even if the song is about something bad, the vocals and the beat soothe my mind. I have a playlist called "Feel-Good Music" and it has "Float on" by Modest Mouse, "Bowl for Two" by The Expendables and "No Woman, No Cry" by Bob Marley. . . . Then I like to cook. I get the munchies and Pinterest has way too many amazing recipes!

You entered the adult industry through a relatively new technology: web-camming. What is your role in the business? Are you a cybergirl, a "porn star" —

I consider myself a webcam girl, not a porn star. I get called a porn star a lot, but there's a difference between the two. Both work in the adult industry, but one thing I've always loved about web-

cam modeling is that I can do it from home. I sit in front of my computer and do what I want to do. When you're a porn star you have to go to the set with other porn stars and a director and camera crew and you have lines you need to know. I've been to a few sets before with an old friend who was working, and I'm not going to lie, it was fun to watch. I just don't want to be the one in front of the camera. Modeling nude I don't mind. I loved modeling for *Penthouse*! I like to feature dance too, but I wouldn't call myself a "stripper," either. I don't judge or label people for what they do. I judge them for the way they treat me and other people.

Isn't it ironic that you became a *Penthouse* Pet after camming online when your generation sees magazines as old-fashioned?

I think the only reason magazines are seen as old-fashioned these days is because of the Internet. Most people my age would rather buy food, weed, gas and other things we find important rather than spend money on a magazine. I won't lie. . . .

I buy the occasional copy of *Cosmo* and I started getting *Penthouse* after I became Pet of the Month last May. But other than that, anything

you'd ever want to see or read you can find online and almost everyone my age has a phone or computer or some way to look it up. I feel like I could teach myself anything a college professor could teach me by using the Internet, and it's free.

Considering all the competition you have camming and dancing, how do you make yourself stand out?

I don't think of other cam girls or dancers as competition. A lot of girls think that way, and I don't understand why. It makes them have a negative view of someone they don't really know. I treat everyone the same. One thing I love about my life is that I've gotten to meet so many amazing people! I have a positive way of looking at everything. That's what keeps the good vibes in my life. I believe you get what you give. I always act like myself, and if people like who I am they'll come to watch me feature dance or they'll watch my cam show. It's really the same for every other beautiful person in this industry.

So you earn a million dollars, and you retire. What do you do next?

I'll never retire! I'm going to cam until I physically can't do it anymore. When I make a million dollars, I'll invest it in more property and use that money to put a pool in the backyard of the beautiful house I have and get a new paint job on my Audi R8. I also want to give money back to charities and try and make a difference while I can. I'd give some back to my family and the people who have supported me and helped me follow my dreams my entire life. That's the future I see for myself.

What do you wish someone would ask you that they haven't yet?

I wish someone would ask me, "Why do you think people are so quick to judge someone in the adult industry?" When everything [about my arrest] broke out and my grandma called me crying, asking why I did what I did and why I want to be a cam girl instead of going to college, all I could say is that I

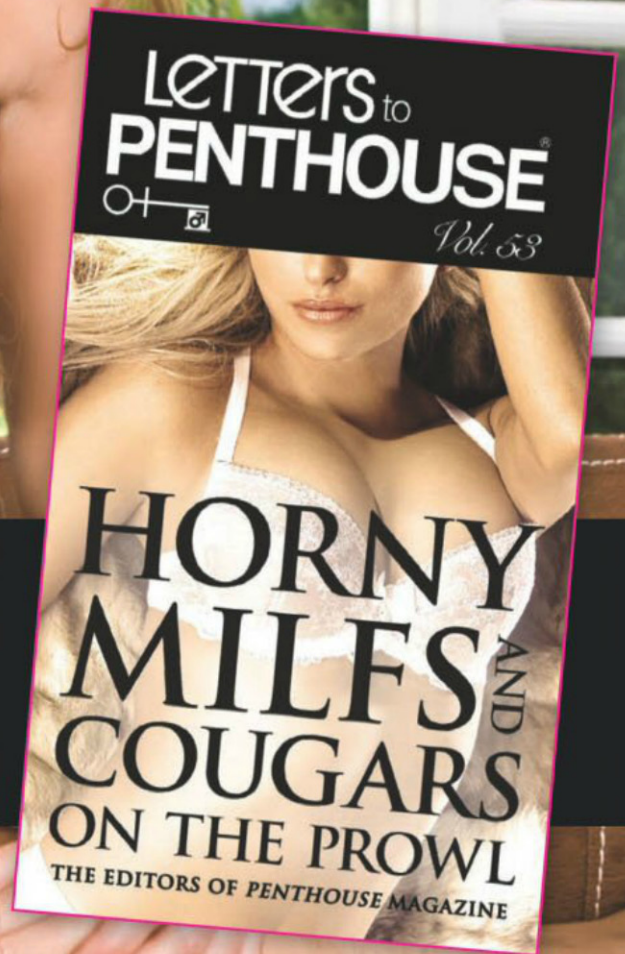

love what I do. I love making people's days better and I love having fun while working. I love going to conventions and award shows and meeting people who want the same life I want. My grandma and other people from her generation, all the way to my generation, don't understand because this isn't the life they would want. What I don't understand is why anyone would think that gives them the right to try and put down someone who's different than them. I don't understand why anyone would intentionally put bad vibes out there. You don't know who you could meet if you don't give everyone a chance. I've met some pretty great people who are just as comfortable with their sexuality as I am, and honestly, they're pretty fucking fun to be around!

SHE'S IN CHARGE

(Digital Sin) Dir.: Eddie Powell and Paul Woodcrest

Using everything from strap-ons and vibrators to oral speculums and Wartenberg wheels, Karmen Karma, Aiden Starr, Bonnie Rotten and Penthouse Pet Chanel Preston put slaves through their paces. Karmen spansks Megan Leigh and, in a brief but visually powerful exchange, stuffs her fingers down Megan's throat while fingering her pussy while Aiden, no stranger to female (or male) domination, teases a bound Sara Luvv with nipple and clitoral suction before finally giving her the satisfaction that comes with a good, hard reaming. We particularly liked Chanel's explosive, sexy-sweet domme-take on a dog-crate-bound Dahlia Sky in a massage session gone terribly wrong, while Bonnie plays the playful bitch queen to the hilt. Hard-hitting fun for the Sapphic sadist in everyone.

MUNCH ON THIS!

(Adam & Eve Pictures) Dir.: Various
In a nutshell, this collection features 20 prime pieces of porn talent rocking each other's pussy. Among the players are Penthouse Pets Alexis Ford, Teagan Presley (pleasuring frequent plaything Alexis Texas), Jessie Andrews and Celeste Star, plus notably Aleksa Nicole, Abby Cross and the wonderfully stacked Brooklyn Chase (with Coco, in a great scene from *Grease XXX: A Parody*). While compilations can be a hit-or-miss proposition at times, this one should click with everyone hellbent on getting bent watching women love women in ways that men just simply can't.

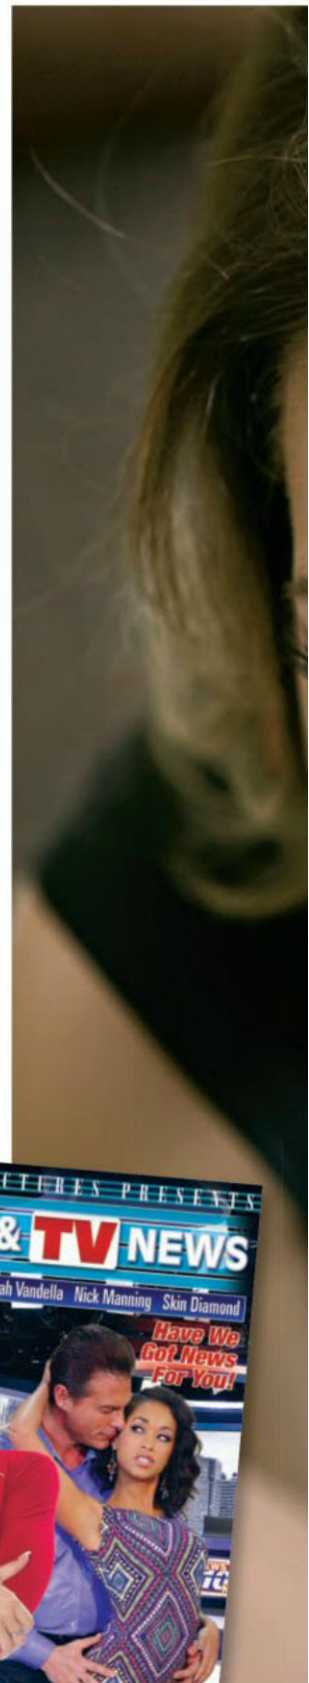

EVERYBODY LOVES BIG BOOBIES VOLUME 9

(Adam & Eve) Dir.: Various

Clocking in at over four hours, this disk features more than 10 and almost a dozen (read: 11) big-titted starlets doing what big-titted starlets do best: big-dicked studs and, sometimes other big titted starlets. Katja Kassin rides the schvantz of Anthony Hardwood in a hot post-boobjob fuckfest with plenty of dirty talk; Kelli Tyler serves up a big boobie sundae to an understandably hungry Kurt Lockwood; and Nikki Benz and Teagan Presley have fans of lesbo Penthouse Pet tit queens covered with McKenzie Lee and Lisa Ann respectively. A new scene features hot brunette Sophia Lomeli taking Rocco Reed's cock between her tits (and elsewhere) in a sexy student-teacher scenario.

LOVE, SEX & TV NEWS

(Adam & Eve) Dir.: Will Ryder

Anchorwoman fetishists — and make no mistake, we exist — will have a field day with this story of sex, intrigue and Q ratings set in a local news program. Favored *Girls of Penthouse* wank object Sarah Vandella (as sexually starved associate news producer Maggie) only plays in one scene here, but brings her all, as usual, from the first quiver as she's getting head through a mighty head-job and a cheerfully received reaming that ends up with her bush glazed in come. Penthouse Pet Skin Diamond takes on the mighty dick of Nick Manning in the disk's final scene while Carmen Caliente, Janice Griffith and Capri Cavanni ride cock along the way until the snappy twist ending.

ABBY, EMILY & JUELZ

Lesbian Takeover

Men aren't the only ones who can get off watching their girlfriend taken by another woman. Juelz loves the sight of a young slut giving her galpal a good fucking, and she's more than happy to just stroke her cunt while they get it on.

Will she join in the action
once they've gotten off,
or will she wait till her
girlfriend's lover leaves to
suck the come from her
pussy? What do you think?
